

Navigator Bar: Choose a Lan

Etoys has been translated in many languages; many volunteers have worked to make this possible.

The same script in two lang

A screenshot of a game script editor interface. The top bar contains a radio button, the text "Star script1", a yellow exclamation mark icon, a clock icon, a button labeled "ノーマル", a gift icon, and a menu icon. Below the bar, there are two script blocks: "星を進める 5" and "星を回す 5".

○ Star script1 ! ノーマル

星を進める 5

星を回す 5

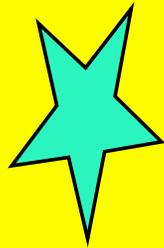

A screenshot of a game script editor interface in English. The top bar contains a radio button, the text "Starscript1", a clock icon, a button labeled "normal", and a menu icon. Below the bar, there are two script blocks: "Starforward by5" and "Starturn by5".

Starscript1 normal

Starforward by5

Starturn by5

Click on the globe in the Navbar and choose any new language for Starscript1.

```
Starscript1! paused    
Starforward by5  
Starturn by5  
Stapen down ← true  
Starbounce |silence
```
