

Whatcom County  
invites you to:

Healthy  
refreshments  
will be served!

## What health issues matter to you?

- ❖ **PARTICIPATE** in small groups to discuss the health issues you care most about.
- ❖ **SHARE your thoughts:** Perhaps you are passionate about water quality, health care access for all, good nutrition, oral health, emergency preparedness plans for the 2010 Olympics, obesity, health and the built environment, or another health issue.
- ❖ **GENERATE IDEAS** about how to make Whatcom County a healthier place.
- ❖ **REGISTER: You can simply show up to participate OR** Send your name, address, telephone # and event date to [health@whatcomcounty.us](mailto:health@whatcomcounty.us). Be sure to put "Health Counts Registration" in the subject line. You may also call 676-6724, then press #33300 to register or request information. If you register, you will be placed on our mailing list for Health Counts newsletters and upcoming Community Conversations.
